

Meeting Agenda

Date: 5 April 2013

Facilitator: Markus Norén

Participants: Roy Nard, Hampus Forsvall, Johanna Hartman, Markus Norén.

1. Objectives (5 min) Resolve any issues preventing the team to continue (this should be possible to verify at next meeting, short clear description, use issues from project site).

The development has been going to plan.

2. Reports (15 min) From previous meetings, (un)solved issues, etc. , see also 4

Everything has been resolved according to plan. Individual group members have taken great care into implementing previous tasks.

3. Discussion items (35 min)

- (a) How do we do...?

Work is going according to plan

- (b) What to do...?

Further map- and gameplay-implementation, also minor debug features

4. Outcomes and assignments (5 min)

Further refine previous weeks assignment. Even though the goals has been met, the features will need more fine tuning.

5. Wrap up

Next meeting will take place on 12 april 2013
