

Meeting Agenda

Date: 15/4-13

Facilitator: Hampus Forsvall

Participants: Johanna Hartman, Roy Nard, Markus Norén, Hampus Forsvall

1. Objectives (5 min) Resolve any issues preventing the team to continue (this should be possible to verify at next meeting, short clear description, use issues from project site).

-Every meeting agenda should be written in english. Johanna will change the first agenda.

-Check if the presentation of the application is on thursdays meeting.

2. Reports (15 min) From previous meetings, (un)solved issues, etc. , see also 4

- The oral presentation went well.

3. Discussion items (35 min)

- We will discuss and determine everyone's responsibilities and what they include.

4. Outcomes and assignments (5 min)

- The weekly goal for thursday's meeting is to have a simple outline of the final model. You should be able to start a QuizWalk, acquire questions, answer and receive feedback.

5. Wrap up

- Next meeting is scheduled for Friday after the morningmeeting.
